BIOGRAPHY

Elijah Sanabria, better known as DJ Easy has been rocking events for over ten years. Originally from NYC, Easy has become a household DJ name in the DC Metro Area for nightlife to private events, corporate events and luxury weddings. Since arriving at the DMV in 2018, he has connected with multiple promotion teams and got his first chance with "K-Mystery" at Gryphon Saturday. After he got the chance, there was no turning back. Easy then connected with DJ ROB "Mista DMV " and was tabbed as one of the official DJs for DJ ROB's promoting team, "Internightlife." In just a few years in the DMV, Easy has established himself and has played at some of the most predominant venues in the DMV. His work experiences does not stop in the DC Metro Area as he has played gigs from Indianapolis all the way to Miami where he currently holds multiple residencies.

Some previous and current clients he has been trusted by are Under Armour, F45, Orange Theory Fitness, Macys, Rock N Roll Marathon, LIVE, Horseshoe Casino to name a few. Easy also has spun alongside DJ Drama, a legendary mixtape DJ, record executive and music promoter. It does not stop there as he has also shared the stage with Grammy nominated artists to include PnB Rock, Shy Glizzy and Wale. It does not stop there as he has provided the soundtrack at parties with A List celebrities in attendance to include the Alison Hinds, Black Eyed Peas, Brent Faiyaz, DJ ESCO, Jacquees, Michael Blackson, Ne-Yo, Rubi Rose, Saweetie, Sleazyworld Go, and Sevyn Streeter. He also has developed a reputation with local artists and has provided the vibe at shows for local DMV artists including Almira Zaky, Bala Ortiz, Cam Wells, NODIS and They.

Having the ability to DJ and host on the mic, as well as his extensive catalogue of music which encompasses Pop/Top 40, Hip-Hop, EDM, and International Music, distinguishes him from other DJs. His passion to set the vibe, and keep the energy in the room high is why they call it the "Easy Effect." With a desire to expand his audience beyond the DMV area, Easy has sights on providing the vibe to crowds in other regions of the USA and even Internationally.
